## Product highlights

**Digital answering machine**
*With a digital answering machine, you'll never miss a call or message.*

**10-minute recording time**

**Virtually interference free**
*Thanks to an advanced digital technology, calls are undisturbed by interferences from other devices.*

**Speakerphone - Talk handsfree**
*Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or take notes during a call.*

**Up to 300 m range**
*Move freely in and around the house witin a range of maximum 50 meters indoor and up to 300 meters outdoor (in ideal open-air conditions).*
